

## REMARKS

Very thanks for Examination's suggestion and thanks for finding some citations about the present invention, thereby, the applicant may know more information about the invention. This case has been carefully reviewed and analyzed in view of the office action.

Responsive to the objections and rejections made of the Examiner in office action. We have amended the claims. All the errors disclosed in that office action has been corrected according to the Examiner's indications disclosed in the official action.

Based on the suggestion in the office action, the Examiner decides to cancel Claim 2, without prejudice or disclaimer of the subject matter thereof, and amend claim 1 as the following. The claim 3 is remained without any modification. The Amendment of claim 1 is based on the suggestion in the office action. Thereby it is assured that no new matter is added. The relation of the new claims with respect to the original claims are shown in the following REMARK, Examiners can read the claims more easily from the REMARK.

Claim 1. (Amended) A hanging ring used in a curtain by punching from a metal sheet; the hanging ring hanging comprising: a ring body containing a ring piece 20 having a round hole, an extending piece 20 one end of which extends from a periphery of the ring piece 20 and an extending bar extending from another end of the extending piece; wherein

one end of the extending bar is pressed as a rivet end for being fixed in a clip 4; a lateral extending frame 24 is extended punched from ~~lateral sides of the~~ an enhancing edge 203 at an outer side of ~~and the~~ extending piece 20; the lateral extending frame 24 has a non-plane locking ring 250; a locking hole 26 is formed in ~~punched from~~ the

non-plane locking ring; the non plane locking ring 250 is twisted through an angle so that it is at different orientation from the other part of the lateral extending frame; and

an inner wall of the locking hole 26 is a threaded wall, for locking a screw rod of a decoration.

Claim 2. (Cancelled)

Claim 3. (Original) The hanging ring used in a curtain as claimed in claim 1, wherein the extending piece has at least one through hole for receiving a rope.

If there is any error in the specification, or claims, applicant requests and authorizes Examiner to amend the claims, specification and drawings of the present invention so that they can match the requirement of U. S. Patent. Attentions of Examiner to this matter are greatly appreciated.

Since in office action, the claim 1 to 3 is allowed in condition and I cancelled the claim 2 and amend the claim 1, it is now believed that the subject Patent Application has been placed in condition for allowance, and such action is respectively requested.

Respectfully submitted.
